JUMP START CAMP No. 3: From 2nd January, 2019 to 31st March, 2019

General Information

We are happy to announce the dates for our next quarterly basketball camp No. 3. We welcome all parents who have obliged us by sending their children to our earlier camps, to continue to do so. We express to wish our gratitude to the parents for their support and encouragement.

Here are a few general information and guidelines that will help us conduct the camp even better than the previous ones:

- After deliberations in internal meetings, we have decided to keep the camp fees of Rs. 600/- per month as a fixed amount for all variety of batches at different timings, across week days as well as weekends.
- Earlier we had attempted to collect fees on monthly basis. We experienced a great amount of operational difficulty and it was a huge task to track fees payment patterns. As such this time we have decided to collect the fees for the full quarter (3 months) at one time. Please support us in this endeavor.
- For those opting to take weekend batches, we have re-designed the batches into two groups, WEB-1 and WEB-2 (Week End Batches). We request parents to choose from either one only. We will not be able to offer cross selection of timings across batches. It causes too much of confusion to coaches as well as to the organizers. Above all the training pattern to the child will also get disturbed.
- **Registrations: Registrations will start from 19th Dec, 2018**. We will be restricting the number of students per batch. This is to ensure better attention to all students by the coach. As such we request parents to book the batch slots as early as possible to avoid any disappointment. We request parents to provide an additional alternate batch time slot as a precautionary measure. In case we are unable to offer the first choice, we will try our best to allocate the alternate slot, if available.
- We will be introducing RFID based ID cards to all students. This will be charged at Rs. 50/- each (one time). Before beginning of each batch, all students must necessarily tap the card at the card reader. This is in the process of being installed soon.
- We intend to organize basketball tournaments at school, college, state as well as national levels. These tournaments will be conducted in the Beagles Indoor stadium itself. We encourage all students and parents to take advantage of these tournaments happening here and come in large numbers to watch all the games. All parents and students will be allowed free entry. Also during the tournament period (usually 4 to 5 days), the camp activities will be suspended.
- We request parents admitting their children having known medical condition to not only inform us in advance but also obtain a medical certificate which clears the child to freely attend any physically strenuous training camps. We will also require a declaration from the parents to this effect.
- Our coaches will be gradually identifying talented students in basketball and working towards moving them to the next level. Once we have sufficient students to form a

next level batch, we will discuss this with their parents and decide appropriate batch timings specially for them.

- All participating students must ensure strict adherence to guidelines that include:
 - Ensure proper playing kit including dress code, shoes etc. are worn.
 - Each student should bring their own basketball/can buy at discounted rates from **Beagles' Store**.
 - Ensure being present at least 10 minutes before the beginning of their batch timing. This is to also ensure ID card swiping is done in time.
 - We advise children not to bring in **mobile phones, watches and jewelry** etc. and also take care of their belongings, including their own basketball.

We wish all children to make maximum use of the camp sessions and learn the game of basketball under top class mentorship. These camps will enable the youngsters in getting molded holistically as well-groomed citizen as well as professional basketball players.
